EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://future-metals.com.au/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for the company's shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ROBERT MOSIG

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Robert Mosig, who has served as a Director since 11 May 2021, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

Mr Mosig, MSc, FAICD, FAusIMM is a geologist with over 50 years' experience in platinum group metals, gold and diamond exploration. His experience includes exploration using geology, geochemistry, geophysics and drilling; ore resource drilling and calculation; metallurgical and engineering evaluation and environmental and economic evaluations; mining and processing. He was the founding Director of both ASX listed Helix Resources Limited and Platina Resources Limited and is currently a Non Executive Director of ASX listed companies, Mantle Minerals Limited and Javelin Minerals Limited.

Independence

If re-elected the Board considers that Mr Mosig will be an independent Director.

3.3 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Mosig will be re-elected to the Board as an independent Director.

In the event that Resolution 2 is not passed, Mr Mosig will not join the Board as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

3.4 Board recommendation

The Board has reviewed Mr Mosig's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Mosig and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1A

4.1 General

On 17 January 2023, the Company issued 3,500,000 Shares to Octava Minerals Limited (ACN 644 358 403) (**Octava**) in consideration for the sole and exclusive

right to earn a 70% legal and beneficial interest in the joint venture property (E80/5455 and E80/5459) under the farm-in joint venture agreement (**Joint-Venture Agreement**).

A summary of the material terms and conditions of the Joint-Venture Agreement are set out in Schedule 2.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

The issue of the Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

4.2 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

If Resolution 3 is not passed, the Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

4.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) the Shares were issued to Octava;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 3,500,000 Shares were issued and the Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares were issued on 17 January 2023;
- (e) the Shares were issued to satisfy the Company's obligations under the Joint-Venture Agreement. The Company has not and will not receive any consideration for the issue of the Shares;
- (f) the purpose of the issue of the Shares was to satisfy the Company's obligations under the Joint-Venture Agreement; and
- (g) the Shares were issued to Octava under the Joint-Venture Agreement. A summary of the material terms of the farm-in joint venture agreement is set out in Schedule 2.

5. RESOLUTION 4 – ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN

5.1 General

Resolution 4 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) and for the issue of up to a maximum of 41,320,404 securities, excluding issues approved by Shareholders under Listing Rule 10.14 or Listing Rule 10.11, under the Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Plan and the future issue of securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

5.2 Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

As summarised in Section 4.1 above, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 4 is passed, the Company will be able to issue securities under the Plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any securities to eligible participants under the Plan (up to the maximum number of securities stated in 5.3(d) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 4 is not passed, the Company will be able to proceed with the issue of securities under the Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of those securities.

5.3 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 4:

- (a) a summary of the key terms and conditions of the Plan is set out in Schedule 1;
- (b) the Company has not issued any securities under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Incentive Plan;
- (c) the Company is seeking Shareholder approval to adopt the Plan to include the new terms and conditions required by Division 1A of Part 7.12 of the Corporations Act, which replaced the previous relief provided by ASIC Class Order 14/1000 (Employee Incentive Scheme); and
- (d) the maximum number of securities proposed to be issued under the Plan following Shareholder approval, is 41,320,404 Securities. It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately.

6. RESOLUTION 5 – APPROVAL OF 7.1A MANDATE

6.1 General

As summarised in Section 4.1 above, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$14,875,345 (based on the number of Shares on issue and the closing price of Shares on the ASX on 5 October 2023).

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For information, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

6.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 5:

(a) **Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the

nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 1.1 (b) (i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for:

- (i) general working capital expenses;
- (ii) progressing and developing a scoping study;
- (iii) ongoing metallurgical test work;
- (iv) exploration activities associated with its current project; or
- (v) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 5 October 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.018	\$0.036	\$0.054
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	413,204,037 Shares	41,320,403 Shares	\$743,767	\$1,487,534	\$2,231,301
50% increase	619,806,056 Shares	61,980,605 Shares	\$1,115,650	\$2,231,301	\$3,346,952
100% increase	826,408,074 Shares	82,640,807 Shares	\$1,487,534	\$2,975,069	\$4,462,603

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 413,204,037 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 5 October 2023 (being \$0.036).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 30 November 2022 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 17 November 2022, the Company has not issued any Equity Securities pursuant to the Previous Approval.

6.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

7. RESOLUTION 6 – ELECTION OF A DIRECTOR – MR PATRICK WALTA

7.1 General

Pursuant to clause 14.3 of the Company's Constitution, the Company may elect a person as a Director at a general meeting. The Company is proposing to elect Mr Patrick Walta as a Director of the Company, subject to the passing of this Resolution 6.

The Board is proposing to appoint Mr Walta as a Director of the Company as the Board believes someone of Mr Walta's calibre and experience will enhance the growth and strategic direction of the Company.

7.2 Qualifications and other material directorships

Patrick is a qualified metallurgist and mineral economist with experience across both technical and commercial roles within the mining and water treatment industries.

In 2017 Patrick founded New Century Resources Ltd and became Managing Director following the successful acquisition of the Century Zinc Mine in Queensland. Over the proceeding five years Patrick led the growth of the Company through feasibility, mine restart, commissioning and steady state operations. Through this process, the Century Mine became the 13th largest zinc producer in the world.

In 2023, New Century was acquired by the multinational PGM-gold producer Sibanye-Stillwater Ltd. Patrick is a graduate of Melbourne University with degrees in Chemical Engineering and Science in addition to postgraduate studies including an MBA, Masters of Science (Mineral Economics), Diploma of Project Management, and the AICD's Company Directors Course. Patrick has also been awarded the MNN Emerging Leader of the Year Award (2018) and the Young Achiever of the Year award (2015) at the Australian Mining Prospect Awards.

Qualifications: Bachelor Chemical Engineering, Master of Science (Mineral Economics), Diploma of Project Management

Other current directorships: WA Kaolin Limited (ASX: WAK)

Independence

If elected the Board considers that Mr Patrick Walta will not be an independent Director.

7.3 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company has undertaken such checks in respect to Mr Walta and no material adverse information has been identified.

Patrick Walta has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Director of the Company.

7.4 Listing Rule 14.1A

If Resolution 6 is passed, Patrick Walta will be elected to the Board as a Director.

In the event that Resolution 6 is not passed, Patrick Walta will not join the Board as a Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

7.5 Board recommendation

The Board considers that Patrick Walta's skills and experience will enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Patrick Walta and recommends that Shareholders vote in favour of Resolution 6.

8. RESOLUTION 7 – ISSUE OF PERFORMANCE RIGHTS

8.1 General

The Company has agreed, subject to obtaining Shareholder approval to issue 20,000,000 Performance Rights to Patrick Walta (or his nominee) pursuant to the Plan and on the terms and conditions set out below (**Incentive Performance Rights**).

The Incentive Performance Rights will be issued to Mr Walta as follows:

	Patrick Walta
Tranche 1	5,000,000
Tranche 2	5,000,000
Tranche 3	2,500,000
Tranche 4	2,500,000
Tranche 5	2,500,000
Tranche 6	2,500,000
Total	20,000,000

Resolution 7 seeks Shareholder approval for the issue of the Incentive Performance Rights to Mr Walta.

8.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial **benefit** to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act. The issue of the Incentive Performance Rights to Mr Walta (or his nominee) constitutes giving a financial benefit and Mr Walta is a related party of the Company by virtue of being a Director (Mr Walta's appointment as a Director, being the subject of Resolution 6).

The Directors (other than Mr Walta) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Performance Rights, because the issue of Performance Rights constitutes reasonable remuneration payable to Mr Walta.

8.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Incentive Performance Rights to Mr Walta falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolution 7 seeks the required Shareholder approval for the issue of the Incentive Performance Rights under and for the purposes of Listing Rule 10.14.

8.4 Technical information required by Listing Rule 14.1A

Subject to the passing of Resolution 4, if Resolution 7 is passed, the Company will be able to proceed with the issue of the Incentive Performance Rights to Mr Walta under the Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Incentive Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Incentive Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolution 7 is not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights to Mr Walta under the Plan.

8.5 Technical Information required by Listing Rule 10.15

Pursuant to and in accordance with the requirements of Listing Rule 10.15, the following information is provided in relation to Resolution 7

- (a) the Incentive Performance Rights will be issued to Patrick Walta (or his nominee)
- (b) Mr Walta falls within the category set out in Listing Rule 10.14.1 by virtue of being a Director (Mr Walta's appointment as a Director, being the subject of Resolution 6);
- (c) the maximum number of Incentive Performance Rights to be issued to Mr Walta (being the nature of the financial benefit proposed to be given) is 20,000,000 Incentive Performance Rights;
- (d) the remuneration packages for Mr Walta is proposed to be \$399,600, comprising of directors' fee/salary of \$360,000 and a superannuation payment of \$39,600. If the Incentive Performance Rights are issued, the total remuneration package of Patrick Walta will increase by \$564,000 to \$963,600, being the value of the Performance Rights (based on a

combination of the Hoadley's Barrier1 Model, the Hoadley's Parisian Model and the market price of Shares)

- (e) The assumptions underlying the Tranche 1 and Tranche 2 Performance Rights, which were valued using the Parisian Barrier1 Model are as follows:

Spot price	\$0.038 (or 3.8 cents) as at the valuation date, 4 October 2023
Exercise price	nil
Share price targets	5-day-VWAP exceeding \$0.10 for Tranche 1; and 5-day-VWAP exceeding \$0.20 for Tranche 2
Number of consecutive days	To achieve a five-day volume weighted average market price (VWAP), it was assumed that the Share price must remain above the respective target prices for 7 consecutive calendar days
Vesting/expiry date	4 October 2026 (being three years after the issue date)
Volatility	Approximately 85% (estimated based on Hoadley's GARCH long-run forecast and Exponentially Weighted Moving Average volatility models using share price data over the historical period since the Company's listing on the ASX on 22 June 2021; and also having considered the 3-year average volatility of comparable companies listed on the ASX; we estimated that 85% may not be an unreasonable estimate of a forecast three-year volatility)
Interest rate	4.04% per annum (continuously compounded interpolated rates based on the three-year discrete Australian Government bond yields as at 4 October 2023)
Dividend yield	nil

To arrive at a valuation of the Performance Rights with Tranche 3 – 6 the 'per security' value of the Performance Rights using the share price as at the valuation date was used and then adjusted in respect to the expected number of securities expected to vest based on a range of probabilities that the Company expects the milestones to be achieved.

The 'per security' value of these Performance Rights is \$0.038 (being the share price of the Company on the valuation date of 4 October 2023) before any adjustments for the non-market vesting conditions.

Each of Tranches 3, 4 and 6 were estimated with a 100% probability of vesting. Tranche 5 was estimated with a 50% probability of vesting;

- (f) as this is the first time that the Shareholder approval is being sought for the adoption of the Plan, no Performance Rights have been previously issued under the Plan;
- (g) a summary of the material terms and conditions of the Incentive Performance Rights is set out in Schedule 3;
- (h) the Incentive Performance Rights are unquoted performance rights. The Company has chosen to grant the Incentive Performance Rights to Mr Walta for the following reasons:

- (i) the Incentive Performance Rights are unlisted, therefore the grant of the Incentive Performance Rights has no immediate dilutionary impact on Shareholders;
 - (ii) the issue of Incentive Performance Rights to Mr Walta will align the interests of Mr Walta with those of Shareholders;
 - (iii) the issue of the Incentive Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to Mr Walta;
 - (iv) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in granting the Incentive Performance Rights on the terms proposed;
- (i) the Incentive Performance Rights will be issued to Mr Walta (or their nominees) no later than 3 years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and it is anticipated the Incentive Performance Rights will be issued on one date;
 - (j) the issue price of the Incentive Performance Rights will be nil, as such no funds will be raised from the issue of the Incentive Performance Rights;
 - (k) a summary of the material terms and conditions of the Plan is set out in Schedule 3;
 - (l) no loan is being made to Mr Walta in connection with the acquisition of the Incentive Performance Rights;
 - (m) details of any Performance Rights issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and
 - (n) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Plan after Resolution 7 is approved and who were not named in this Notice will not participate until approval is obtained under Listing Rule 10.14.

9. RESOLUTION 8 – RATIFICATION OF AGREEMENT TO ISSUE SHARES - OCTAVA

9.1 General

As announced on 17 January 2023, the Company has entered into the Joint-Venture Agreement with Octava.

Pursuant to the terms of the Joint-Venture Agreement, the Company must (at the Company's sole election) either:

- (a) issue Octava that number of Shares which when multiplied by the price of the five (5) day volume-weighted average price of Future's Shares traded on the ASX immediately prior to the issue is equal to \$200,000; or

(b) pay Octava \$200,000 in cash,

(the **Deferred Consideration**).

Resolution 8 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the agreement to issue \$200,000 of Shares to Octava.

For the avoidance of doubt, the approval of Resolution 8 does not limit the Company's ability to elect to pay the Deferred Consideration in cash.

As summarised in Section 4.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

The proposed issue of the Shares does not fall within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule. The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

9.2 Technical information required by Listing Rule 14.1A

If Resolutions 8 is passed, the Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

If Resolutions 8 is not passed, the Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Overallotment Securities. It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

9.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 8:

- (a) the Shares were agreed to be issued to Octava;
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Shares will occur on the same date;
- (d) the maximum number of Shares agreed to be issued is up to that number of Shares which, when multiplied by the issue price, equals \$200,000. The Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the issue price of the Shares will be equal to the price of the five (5) day volume-weighted average price of Future's Shares traded on the ASX immediately prior to the issue. The Company will not receive any other consideration for the issue of the Shares;
- (f) the purpose of the issue of the Shares is to satisfy the Company's obligations under the Joint-Venture Agreement; and
- (g) the Shares will be issued to Octava under the Joint-Venture Agreement. A summary of the material terms of the Joint-Venture Agreement is set out in Schedule 2.

9.4 Dilution

Set out below is a worked example of the number of Shares that may be issued under Resolution 8 based on the volume weighted average price for Shares on the 5 days on which sales in Shares were recorded before 16 October 2023, and the volume weighted prices which are 50% higher and 50% lower than that price.

Assumed issue price	Maximum number of Shares which may be issued ¹	Current Shares on issue as at the date of this Notice ²	Number of Shares on issue assuming the Company issued the maximum amount pursuant to Resolution 8 ³	Dilution effect on existing Shareholders
\$0.018	11058889	413,204,037	424262926	2.7%
\$0.036	5529444	413,204,037	418733481	1.3%
\$0.054	3,703,704	413,204,037	416,907,741	0.9%

Notes:

1. Rounded to the nearest whole number.
2. There are currently 413,204,037 Shares on issue as at the date of this Notice and this table assumes no Options are exercised, no convertible securities converted or additional Shares

issued, other than the maximum number of Shares which may be issued pursuant to Resolution 8 (based on the assumed issue prices set out in the table).

3. The Company notes that the above workings are an example only and the actual issue price may differ. This will result in the maximum number of Shares to be issued and the dilution percentage to also differ.

10. RESOLUTION 9 – RATIFICATION OF AGREEMENT TO ISSUE SHARES - OSPREY

10.1 General

As announced on 5 October 2023, the Company has entered into an option agreement (**Option Agreement**) to acquire 100% of Osprey Minerals Pty Ltd (**Osprey**) which owns ~100km² of highly prospective exploration tenements in the East Kimberley region of Western Australia.

Pursuant to the terms of the Option Agreement, the Company may elect to acquire Osprey by issuing the existing shareholders of Osprey (together, the **Vendors**), that number of Shares which when multiplied by the price of the five (5) day volume-weighted average price of Future's Shares traded on the ASX immediately prior to the issue is equal to \$625,000.

The Company must also issue the Vendors deferred consideration of:

- (a) \$325,000 in FME shares or cash (at the Company's sole election) payable 6 months from completion of the acquisition; and
- (b) \$325,000 in FME shares or cash will be payable (at the Company's sole election), once the Company drills 2,000m or more on the Osprey projects,

In the event of the Company electing to pay the deferred consideration in FME shares, this will be priced at the 5-day VWAP at the time of the milestone being met.

Resolution 9 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the agreement to issue \$625,000 of Shares to Osprey.

For the avoidance of doubt, the approval of this Resolution 9 does not obligate the Company to exercise the option pursuant to the Option Agreement.

As summarised in Section 4.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

The proposed issue of the Shares does not fall within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule. The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Shares.

10.2 Technical information required by Listing Rule 14.1A

If Resolutions 9 is passed, the Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Shares.

If Resolutions 9 is not passed, the Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Overallotment Securities. It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 5 being passed at this Meeting.

10.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 9:

- (a) the Shares were agreed to be issued to the Vendors;
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Shares agreed to be issued is up to that number of Shares which, when multiplied by the issue price, equals \$650,000. The Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Shares will occur on the same date;
- (e) the issue price of the Shares will be equal to the price of the five (5) day volume-weighted average price of Future's Shares traded on the ASX immediately prior to the issue. The Company will not receive any other consideration for the issue of the Shares;

- (f) the purpose of the issue of the Shares is to satisfy the Company's obligations under the Option Agreement; and
- (g) the Shares will be issued to Osprey under the Option Agreement. A summary of the material terms of the Option Agreement is set out in Section 9.1.

10.4 Dilution

Set out below is a worked example of the number of Shares that may be issued under Resolution 9 based on the volume weighted average price for Shares on the 5 days on which sales in Shares were recorded before 16 October 2023, and the volume weighted prices which are 50% higher and 50% lower than that price.

Assumed issue price	Maximum number of Shares which may be issued ¹	Current Shares on issue as at the date of this Notice ²	Number of Shares on issue assuming the Company issued the maximum amount pursuant to Resolution 9 ³	Dilution effect on existing Shareholders
\$0.018	36,111,111	413,204,037	449,315,148	8.7%
\$0.036	18,055,556	413,204,037	431,259,593	4.4%
\$0.054	12,037,037	413,204,037	425,241,074	2.9%

Notes:

1. Rounded to the nearest whole number.
2. There are currently 413,204,037 Shares on issue as at the date of this Notice and this table assumes no Options are exercised, no convertible securities converted or additional Shares issued, other than the maximum number of Shares which may be issued pursuant to Resolution 8 (based on the assumed issue prices set out in the table).
3. The Company notes that the above workings are an example only and the actual issue price may differ. This will result in the maximum number of Shares to be issued and the dilution percentage to also differ.

SCHEDULE 1 – TERMS AND CONDITIONS OF EMPLOYEE SECURITIES INCENTIVE PLAN

A summary of the material terms of the Plan is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: <ul style="list-style-type: none">(a) assist in the reward, retention and motivation of Eligible Participants;(b) link the reward of Eligible Participants to Shareholder value creation; and(c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Performance Rights and Options (Convertible Securities).
Maximum number of Convertible Securities	<p>The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) – refer to Resolution 4 and Section 5.3(d).</p> <p>The maximum number of equity securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exemption 13(a)), following Shareholder approval, is 41,320,404 Convertible Securities. It is not envisaged that the maximum number of Convertible Securities will be issued immediately.</p>
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.

Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) Options and Performance Rights provided under the Plan on such terms and conditions as the Board decides.

On receipt of an invitation, an Eligible Participant may apply for the securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

Grant of Convertible Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Convertible Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Rights attaching to Convertible Securities

Prior to an Option or Performance Right being exercised, the holder:

- (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the convertible security other than as expressly set out in the Plan;
- (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company;
- (c) is not entitled to receive any dividends declared by the Company; and
- (d) is not entitled to participate in any new issue of Shares (see Adjustment of convertible securities section below).

Restrictions on dealing with Convertible Securities

Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board.

Vesting of Convertible Securities

Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.

Forfeiture of Convertible Securities

Where the Board determines that a Participant has:

- (a) acted fraudulently or dishonestly; or
- (b) acted negligently; or
- (c) acted in contravention of a Group policy, including but not limited to the any one or more of the following:
 - (i) anti-bribery and anti-corruption policy;
 - (ii) board charter;
 - (iii) continuous disclosure policy;
 - (iv) code of conduct;
 - (v) securities trading policy, and in particular, where a Participant engages in trading during a blackout period or otherwise trades in a manner that may contravene the insider trading provisions in the Corporations Act;
 - (vi) social media policy; and
 - (vii) statement of values; or
- (d) wilfully breached his or her duties to the Group, including but not limited to breaching a material term of an employment, executive services or consultancy agreement (or equivalent),

all unvested Convertible Securities held by the Participant will automatically be forfeited by the Participant.

Other than in the circumstances above and subject to the Corporations Act and the Listing Rules, where a participant who holds Convertible Securities becomes a leaver all unvested Convertible Securities will remain on foot and vest in the ordinary course as though the Participant was not a leaver, subject to the Board's overriding discretion to determine an alternate treatment.

<p>Listing of Convertible Securities</p>	<p>Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of a Convertible Security granted under the Plan on the ASX or any other recognised exchange.</p>
<p>Exercise of Convertible Securities and cashless exercise</p>	<p>To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p> <p>An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.</p> <p>Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.</p> <p>Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.</p>
<p>Timing of issue of Shares and quotation of Shares on exercise</p>	<p>Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.</p>
<p>Restriction periods and restrictions on transfer of Shares on exercise</p>	<p>If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions:</p>

	<p>(a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act;</p> <p>(b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and</p> <p>(c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.</p>
Rights attaching to Shares on exercise	All Shares issued upon exercise of a Convertible Security will rank equally in all respects with the then Shares of the Company.
Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Convertible Securities will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Convertible Securities on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Convertible Securities for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

Buy-Back	Subject to applicable law, the Company may at any time buy-back Convertible Securities or Shares issued upon exercise of Convertible Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those securities may be cancelled in the manner agreed between the Company and the Participant.</p>
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.

Within 5 business days after the date that the Performance Rights are converted, the Company will:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of Performance Rights converted;
- (ii) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and

(k) **Reorganisation of capital**

If at any time the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder will be changed in a manner consistent with the applicable ASX Listing Rules and the Corporations Act at the time of reorganisation.

then, to the extent Performance Rights have not converted into Shares due to satisfaction of the relevant Vesting Conditions, Performance Rights will accelerate vesting conditions and will automatically convert into Shares on a one-for-one basis.

(o) **Deferral of conversion if resulting in a prohibited acquisition of Shares**
